

The background of the entire page is a warm-toned photograph. It shows a hand with pink nail polish holding a wooden scoop filled with hemp seeds, pouring them into another wooden scoop below. Hemp seeds are also scattered on a wooden surface and a slice of cork bark. In the bottom right corner, there is a small black jar with a label that includes the word 'ISOLATE'.

We are a vertically integrated supplier, which means that we grow, process, and manufacture all of our products ourselves, including our customers' wholesale orders. This gives us the ability to offer top of the line products at prices that are affordable for small and growing companies.

We are committed to building successful, lasting relationships with our wholesale customers. We hope to accomplish this by being honest, transparent, and supportive, and by providing the best quality products possible.
